

# OPTIMIST INTERNATIONAL JUNIOR GOLF CHAMPIONSHIPS

## *Kansas District Sponsorship Form*

*kansasoptimist.org/oijgc*

The Kansas OIJGC Committee invites each club in our Kansas District to participate in supporting the Optimist International Junior Golf Championships. In order to serve all the youth in Kansas who want to participate in this premier event, we need your support financially. Our goal for 2008 is to increase the number of Kansas kids who participate and benefit from this program at all levels! We currently send the winners in both the boys' and girls' divisions of the 14-15 and 16-18 year old age groups, expenses paid, to the International Finals Tournament in Florida. Sponsoring those four winners alone costs nearly \$3,400.00, but we would like to sponsor the 12-13 year old boy and girl winners as well. If each club not already a contributor could donate \$50.00 a year, this can be done! It is not possible to cover this and all other costs of the OIJGC tournaments from entry fees alone without raising the cost to the point that many deserving kids would be unable to participate. We depend on your support to be successful. If your club has contributed in the past, we again thank you and hope that you will continue to support OIJGC in the Kansas District. Any money you provide will be well spent. This event is eagerly anticipated by aspiring young golfers all across the state. Please step up and let your Optimism shine for our Kansas youth. **THANK YOU.**
